

CIPR STUDENT 2011/12 MEMBERSHIP APPLICATION

If you are studying at a UK higher education institute on a course that lasts at least 12 months you can join the CIPR as a Student member for just £35 (your membership will last until 30 September 2012).

Student members have a special range of benefits designed to help you get a head start in your PR career. Your membership will demonstrate your interest in public relations and you will have access to tools and resources to support you in your studies.

You will also be able to join the CIPR as an Associate member when you graduate and you'll benefit from a two year reduced membership rate to help you get underway with your PR career.

We'll keep you up to date with all the news, views, issues and trends in PR and you can get involved in the PR community in your area, gaining practical skills and valuable contacts. On graduation student members will be entitled to upgrade to Associate membership at a stepped discounted rate.

To find out more or to join online, visit www.cipr.co.uk – otherwise just complete this form and return it to the CIPR at the address below with your subscription payment.
